

The IEA Warranty Statement

IEA, INC. warrants its products against defects in material and workmanship under normal use and service for a period of one year from the date of shipment from its plant.

All obligations and liabilities under this warranty are limited to repairing or replacing, at our option, F.O.B. our plant, such defective units as are returned, carrier charges prepaid. No liability is accepted for consequential damage or reinstallation labor.

IEA, INC., whose policy is one of continuous improvement, reserves the right to improve its products through changes in the design or materials as it deems desirable, without being obligated to incorporate such changes in products of prior manufacture.

This warranty does not cover failure resulting from improper installation and/or mounting designs which permit excessive vibration and cause failure or breakage of parts due to material fatigue. Nor does it cover failure due to corrosion or improper pre-installation storage.

Changes or repairs attempted or made in the field, without authorization from the factory, automatically voids this warrants.

The foregoing warranties are in lieu of all other expressed or implied warranties, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose.

IEA, INC. shall not be liable for any consequential, incidental damages, whether based on breach of contract, breach of warranty, negligence or other tort or any strict liability theory.
